Informed Consent for Telebehavioral Health

- 1. I understand that I/my child must be an established client receiving services from Dr. Malkin in order to be considered for telepsychology. No initial appointments are conducted via telepsychology.
- 2. I understand that Dr. Malkin is using telepsychology sessions specifically to address needs during possible quarantines related to COVID-19. Dr. Malkin is not generally offering telepsychology sessions at this time. I understand that I/my child will be expected to attend in-person sessions, unless Dr. Malkin or I/my child cannot attend an in-person session due to the pandemic.
- 3. I understand I/my child will need access to a reliable internet connection on a computer or mobile device in a private setting in order to participate in telepsychology sessions. I will be responsible for making sure that the camera and microphone on my device are accessible to the doxy.me platform used for telepsychology sessions. I know that I can request a "set-up" technology trial. I understand that Dr. Malkin will not record telepsychology sessions and I/my child agree to not record sessions.
- 4. I understand that I/my child must be physically located in the state of Ohio at the time of the session to participate in a telepsychology session.
- 5. I understand that it is my responsibility to assure privacy for myself/my child during the session, and to inform Dr. Malkin of a) my/my child's location, b) any other persons in the room with me/my child during a session, and c) a way that I/my child can be reached by Dr. Malkin if we lose the internet connection. I understand that Dr. Malkin will be talking with me from a private room and will maintain my confidentiality.
- 6. I understand that Dr. Malkin and I/my child might have to revert to a telephone session in the event a technology failure disrupts or precludes a videosession.
- 7. I understand that Dr. Malkin may choose not to offer telepsychology sessions with me/my child, or may cease conducting such sessions, if she deems such sessions to be inappropriate for my/my child's circumstances for any reason.
- 8. I understand that the session fees listed in Dr. Malkin's Informed Consent for Participation in Treatment form apply to telepsychology sessions. If I am using insurance to pay for sessions, claims will be submitted to my insurance company as usual. If my insurance company subsequently denies the claims, I understand that I will be responsible for the fees.
- 9. I understand that all other elements of Dr. Malkin's Informed Consent for Participation in Treatment form still apply, in addition to these specifications for telepsychology sessions.
